BARRY PLATTE BALL FIELD MEETING SCHEDULED

Opening day of the 2010 baseball/softball season is quickly approaching. The staff of Platte County Parks and Recreation will hold the annual Barry-Platte ball field reservations meeting on Wednesday, February 10 at 6:00 p.m. at the Barry School, located at 2001 NW 87th Terrace.

The reservation meeting is based upon a lottery system which determines the order in which a team or league will select available time slots. Payment for each time slot selected is due at the time of reservation. The cost for 2010 is \$10.00 for a two-hour period. Reservations will not be accepted without payment. A copy of the rules for the reservation system and rules for the use of the ball field is available from Platte County Parks & Recreation.

Anyone not attending the meeting can still make reservations by calling the Parks and Recreation Department after the February 10 meeting. If you need any additional information or a copy of the rules, call Platte County Parks & Recreation at 858-3419.
